Piano

The first system consists of two rows. The top row, labeled 'Clarinet', contains a sequence of shapes: a blue horizontal bar, a white circle, a blue circle, five black ovals, a red circle, a red oval, a green oval, a yellow oval, a black oval, a yellow circle, a yellow horizontal bar, a blue oval, five black ovals, and a red circle. Two arrows point to the green and yellow ovals. The bottom row, labeled 'Piano', contains a blue square, two red squares, two blue squares, and two red squares.

The second system consists of two rows. The top row contains a green oval, a yellow oval, a black oval, a yellow circle, a red triangle, a brown triangle, a red triangle, a brown triangle, a red triangle, a brown triangle, and a red triangle. Two arrows point to the green and black ovals. The bottom row contains a blue square, a brown square, a red square, a brown square, a red square, a brown square, and a blue square with an arrow pointing to it.

The third system consists of two rows. The top row contains a green circle, a yellow circle, a black circle, a red oval, a blue circle, a red triangle, a brown triangle, a red triangle, a white oval, a green oval, a yellow circle, and a yellow horizontal bar. Three arrows point to the green oval, the white oval, and the yellow circle. The bottom row contains a black square, a red square, a blue 'X', a yellow 'X', a green 'X', a yellow 'X', a black 'X', and a blue 'X'. An arrow points to the green 'X'.

The fourth system consists of two rows. The top row contains a white oval, three black ovals, a blue circle, a blue oval, a blue circle, a white circle, a blue oval, a black circle, and a blue horizontal bar. Two arrows point to the blue oval and the blue circle. The bottom row contains a yellow 'X', a brown square, two brown squares, two red squares, and two blue squares.

A partial musical notation for Piano, showing a blue horizontal bar in the first cell of the first row.
