Piano

Diagram 1: Musical notation for the first system. The staff has four lines. The first two measures contain a blue bar labeled 'F' spanning the first two lines. A blue arc is drawn under the first measure. The next two measures contain a green box labeled 'B^b' with a blue dot on the second line. Below the staff, there are three blue boxes labeled 'F'.

Diagram 2: Musical notation for the second system. The staff has four lines. The first measure contains a green box labeled 'B^b' with a blue dot on the second line. The second measure contains a blue bar labeled 'F' spanning the first two lines. The third and fourth measures contain black boxes labeled 'G'' with blue dots on the first and second lines respectively. Below the staff, there is a blue box labeled 'F' under the first measure and a black box labeled 'G'' under the fourth measure.

Diagram 3: Musical notation for the third system. The staff has four lines. The first measure contains a red bar labeled 'C'' spanning the first two lines, with a green dot on the second line. The second measure contains a blue bar labeled 'F' spanning the first two lines. The third measure contains a brown bar labeled 'D^m' spanning the first two lines. The fourth measure contains a black bar labeled 'G^m' spanning the first two lines, with a green dot on the second line. A white arc is drawn under the fourth measure. Below the staff, there is a red box labeled 'C'' under the first measure, a blue box labeled 'F' under the second measure, a brown box labeled 'D^m' under the third measure, and a black box labeled 'G^m' under the fourth measure.
