Merrily to Bethlehem

Polish Carol

Piano

The first system of musical notation consists of a single staff divided into four measures. The notes are represented by colored shapes: brown oval, red oval, brown oval, grey oval, blue oval, grey oval, blue oval, black oval, yellow circle, green circle, yellow circle, yellow rectangle, brown oval, red oval, brown oval, grey oval, blue oval, grey oval, blue oval, black oval, yellow circle, green circle, yellow circle, yellow rectangle. Arrows point upwards from the first three notes of the first measure and the first three notes of the third measure. Below the staff are four empty rectangular boxes, one under each measure.

The second system of musical notation consists of a single staff divided into four measures. The notes are represented by colored shapes: brown triangle, yellow oval, yellow oval, green oval, yellow oval, black oval, blue oval, black circle, black oval, green oval, yellow oval, black oval, blue oval, grey oval, blue circle, black circle, yellow circle, yellow rectangle, blue circle, grey circle, brown circle, brown rectangle. Arrows point upwards from the blue oval in the second measure, the blue oval in the third measure, and the blue circle in the fourth measure. Below the staff are four empty rectangular boxes, one under each measure.

Merrily to Bethlehem Bass Line

Polish Carol

Piano

The piano bass line is represented by a horizontal bar divided into five measures. The first measure contains a brown bar. The second measure contains a yellow 'X' followed by a yellow bar. The third measure contains a brown bar. The fourth measure contains a yellow 'X' followed by a yellow bar. The fifth measure contains a brown bar, a smaller brown bar, and a green 'X' followed by a green bar.

The bass line notation is represented by a horizontal bar divided into three measures. The first measure contains a grey bar and a yellow 'X' followed by a yellow bar. The second measure contains a brown bar, a black 'X', and a yellow 'X' followed by a yellow bar. The third measure contains a brown bar and a smaller brown bar.
