The first system of musical notation consists of a staff with several colored shapes and arrows. Above the staff are three grey ovals and a brown oval with a vertical line. Below the staff is a 4-measure grid. The first measure contains a triangle. The fourth measure contains two vertical bars. The shapes on the staff include a green square, a red circle, a red rectangle, a red oval, a green square, a green rectangle, a yellow rectangle, and a black rectangle.

The second system of musical notation consists of a staff with several colored shapes and arrows. Above the staff are two red ovals and two brown ovals with vertical lines. Below the staff is a 4-measure grid. The second measure contains a white circle. The second and fourth measures contain vertical bars. The shapes on the staff include a blue rectangle, a yellow rectangle, a grey rectangle, a blue rectangle, a grey rectangle, and a blue rectangle.

The third system of musical notation consists of a staff with several colored shapes and arrows. Above the staff are two grey ovals and a blue oval with vertical lines. Below the staff is a 4-measure grid. The first measure contains a triangle. The second and fourth measures contain vertical bars. The shapes on the staff include a red circle, a red rectangle, a grey oval, a blue oval, a grey oval, a red circle, a red rectangle, a red circle, a grey oval, and a brown oval.
